*University of Tsukuba*

**Thanks to  
the Speakers for excellent talks,  
the Audience for discussions,  
the Organizers/Chairs, ...**

We are making good progress toward understanding the History of the Universe !

And in truly international collaborations.

Online meetings are convenient,  
But meeting in person and  
having face-to-face discussions are even better.

When COVID-19 subsides,  
please come to TGSW 2022, and we see you in Tsukuba
